

A pyramid diagram with 5 levels. The bottom level has 5 cells, the next level has 4 cells, the third level has 3 cells, the fourth level has 2 cells, and the top level has 1 cell. The numbers are placed in the following cells:

Level	Cell 1	Cell 2	Cell 3	Cell 4	Cell 5
1 (Bottom)	16		16		8
2	26				15
3			49	38	
4					
5 (Top)
